● GOAL

I'm looking for a Full Stack development position. I am willing to learn, and I am ready to face new challenges.

● SUMMARY

I graduated from the Bachelor's degree in Computer Science at the Federal Rural University of Rio de Janeiro, in June 2022. Almost at the end of my degree, I interned in Web Development for 1 year and 4 months at the Attorney General's Office of the Municipality of Nova Iguaçu. To improve myself as a Full Stack Developer, I took other courses where I learned how to develop complete applications using mainly technologies such as: Java, Angular, ReactJS, MySQL and MongoDB.
